Turning Vision Into Reality

The annual gathering of CEF workers was truly blest. Hosted by CEF Batangas 1 & 2, it was held at the Darasa Fiesta Resort in Tanauan, Batangas. One hundred three full time workers, volunteers and some committee members came for the conference from January 24 - 28. The theme was "Mentalized for Saturation – Turning Vision Into Reality".

Featured in the opening program was the 50th anniversary celebration of Mr and Mrs Aurelio Llenado, sharing with CEF family the joy of the occasion. Mr Llenado is the longest term of the Board officership of C E F Philippines. He is a father to many of the workers.

The conference officially opened with the keynote speaker, Rev Mike Lacanilao, President of Christian Growth Ministries (CGM) who gave a challenging message. Likewise challenging was the report of Asia Pacific Regional Director, Rev Tan Cheng Huat and State of the Mission Address (SOMA) of National Director, Rev Joel Indico.

It was a joy to have Mr and Mrs Terry Flannigan, administrator of the Specialized Book Ministry which publishes training manuals and visualized doctrinal lessons for children's workers worldwide. Besides sharing about the Specialized Book Ministry, they also introduced the lesson "Growth – God's Plan" which is soon to be used in the Elementary School Values

Education Class (ESVEC) here in the Philippines. They also had lecture sessions on follow up and prayer. Mr Flannigan spoke in the morning devotions.

A blessing, too, was Rev Tan's series of messages from the book of Joshua which rounded off the messages he started in the 2005 National Conference in Boracay. He concluded with

the challenge of Joshua 24:1 - 28 "It's Time to Make Up Your Mind" *whom to serve -- to serve God* and reach the three million children, the goal for this year. A prayer and candlelight ceremony capped up the commitment of the workers. Rev Tan also had a special session with thirty two local committee

members mostly coming for that alone, a real eye opener and encouragement. He lectured on Burnout, Learning Styles and the Post Modern Child.

Despite the full schedule, there was time for relaxation — a tour of the Taal Volcano. Fittingly concluding the conference was the Sunday Worship Service and a celebration of the Lord's table officiated by Mr Flannigan. Reminding the workers that love for God and the children, ultimately means sacrifice.

Praise the Lord for the moral support shown by the National Board members who came during the opening rites as well as the closing program.

A Milestone

The Lord be praised for the privilege that CEF of the Philippines will be represented in the CEF Inc (International) Board membership as Mr Samuel Dy has been invited as a member. Mr Dy is Chairman of the CEF Philippines National Board.

Relatedly, the invitation was formally extended by Mr William Elgin, Chairman of the Board of Trustees, CEF Inc (International) during his visit to the Philippines last year. Indeed, it is an overwhelming responsibility for

Mr Dy, yet with humility and confidence in our God, he accepted the challenge.

In the commissioning service coinciding with the CEF Christmas celebration at the National Office last December 15, 2006, he gave a brief testimonial expressing that it is indeed a privilege and an honor to be member of the CEF Inc Board of Trustees. He was commissioned by Bishop Fred Magbanua.

We covet your prayers for Mr Dy in an added milestone in CEF Philippines.

We rejoice in the Lord and thank Him for making possible this statistics for year 2006. We share this joy with our dedicated partners, volunteers, friends and co-workers, here and overseas. ALL GLORY TO GOD!

May this year inspire and find us once again, TOGETHER for the bigger challenge of the three million children.

A Partnership...

Our first association with *Book of Hope (BOH) Philippines* was in the year 2005 during a meeting of Adopt a Campus held at the Campus Crusade for Christ office in Quezon City. BOH whose mission is to Affect Destiny by providing God's eternal Word to all the children and youth shares with CEF a burden for the children.

Eventually, a meeting was set between BOH Area Coordinator, Angie Auzanatud and CEF staff, Susan Serquina. Followed by another meeting with Pastor Wilbert Lojo, BOH Phils National Distribution Coordinator and Rev Tyron Silva, BOH Asia

Pastor Wilbert Lojo (left) and Pastor Joel Indico (right) signing the Memorandum of Agreement during the last National Conference.

Pacific Director. A later meeting with Rev Joel Indico, finalized the partnership.

Soon, BOH delivered a total of 670,535 books to CEF which remarkably enabled to reach our goal of one million children for year 2005.

The following year, BOH committed to give one million books in an agreement signed during the 2006 National Conference in Davao.

For this year, BOH committed two million books to CEF Philippines, plus about a million worth in equipment for the launching of the "God-Man" film. This film is a follow up of the children who were reached with the Gospel through the book distribution.

Please pray for this partnership to continue to result in the salvation of the children. Pray specifically for Susan Serquina, Ferdinand Tobias and Mae Catarongan who are hands on in this partnership.

A Ministry of Encouragement

The visit of Mr and Mrs Terry Flannigan, administrator of the Specialized Book Ministry was an encouragement. They were speakers at the just concluded National Conference.

The couple began their full time ministry with CEF in 1969 after attending the CEF Leadership Training Institute in Michigan, USA.

They served the Lord in different countries like the USA, Italy and in Great Britain, as National Directors. More recently they served 12 years as Directors of Extension Ministries for CEF in Europe and in 1999, they were involved in a worldwide ministry to assist children's evangelists through the CEF

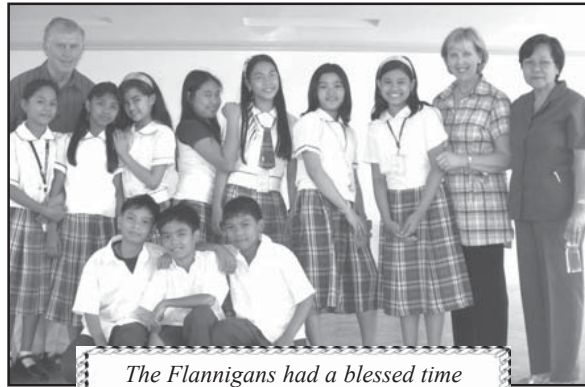

Specialized Book Ministry. Mr Sam Doherty, former European and Irish CEF Director is author of the books.

As administrator, they are in direct contact with those serving God through the children in Africa, Asia, Europe including Russia and South America. They were

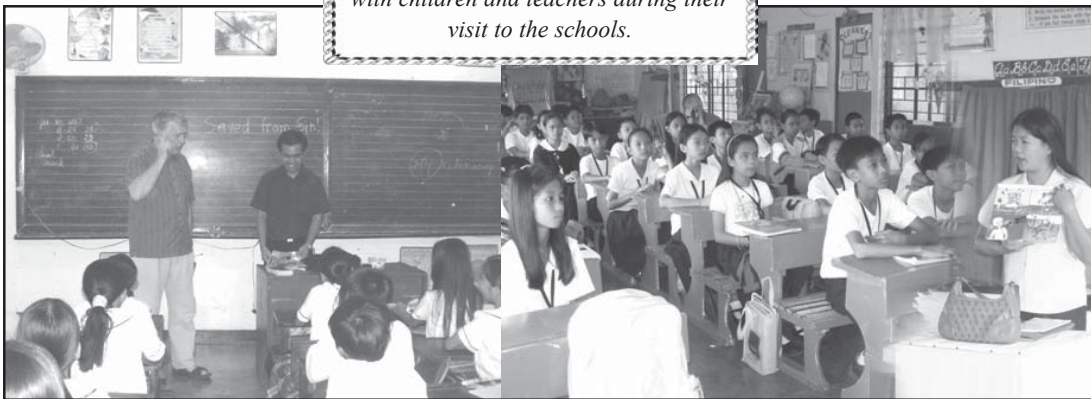

in the country, because CEF Philippines is a recipient of a handsome amount of fund donated towards our literature needs.

Besides ministering at the Conference, the couple also visited six schools in

Batangas, National Capital Region (NCR) South and Bulacan as routine monitoring of the children's ministry.

The Flannigans had a blessed time with children and teachers during their visit to the schools.

They were glad to see first hand Salvation lessons being used in the discipleship classes in public schools.
